

***“Don’t Worry About Things Outside Of Your Control”***

What does the phrase: “Don’t Worry About Things Outside Of Your Control” mean to you?

---

---

---

Describe a specific goal or situation you have and identify all the elements that are outside and inside your control.

---

---

---

Be specific and draft an incremental action plan (with dates and specific actions) that you or your team could execute to keep proper focus in real time and measure growth (include actions for post action reviews that will maintain growth in real time).
